4 STAND SPACE

The trade stand options for exhibitors are set out below, and whilst we will endeavour to accommodate all requests we regret that we cannot make any guarantees. We also reserve the right to refuse an application if we do not consider the products or services beneficial to the objectives of the show.

OUTDOOR SHOW-FIELD

The outdoor trade stand areas are in our main machinery fields and the stand depths are principally 9m, 14m and 21m. We will try to accommodate alternative sizes on request.

SHOW FIELD MARQUEE

A good location by the entrance and main avenue to the show-field; on grass but wood floors can be arranged. Standard eaves height at the front is 2.3m and it has a depth of 6m and divides into 3m or 6m bays. Banner rails can also be arranged.

OUTDOOR SHOW CONCRETE

Between show-field and indoor stands with a depth of 7m but limited availability.

INDOOR EXHIBITION HALL 1

The indoor Exhibition Hall is all on concrete with a fixed stand depth of 4.5m. The entrance for getting equipment in is 5m wide and 3.3m high

INDOOR EXHIBITION HALL 2

Attached to the main Exhibition Hall above, but the entrance is 4.5m wide and 2.3m high.

INDOOR SHOW PENS

These comprise our main cattle pens with fronts taken off and are located in the main building next to the Exhibition Hall with fixed sides and back.
